Effect of Birth Number and Ruling Planet

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by which all our calculations are made. All the other numbers are mere repetitions only. Each number is assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a single digit key number. This number represents a planet. You and the planet attached to your number, will have the same vibrations, which lasts all through your life.

Your Birth Number is 4.

According to Western numerologists the number 4 symbolizes the planet Uranus. But, in the Indian system, number 4 is assigned to 'RAHU' or the ascending node of Moon. In either case, the sign associated with SUN is given to the number 4.

You have a distinct character and your views tend to differ from others. It seems to make you feel significant. In arguments you will deliberately take an opposing stand. Although you do not intend to be quarrelsome, you will have a number of secret enemies due to your uncompromising attitude. Consequently, they may work against your opportune moments.

You are a rebel by nature and given the choice, you enjoy reversing set patterns just for the neck of it. You can rebel against constitutional authority and even evolve your own set of regulations and practices both at home and office. You are drawn towards controversial social questions and reforms of all kinds. Though you are unconventional in your views, you are indeed positive in your outlook.

You may not make many friends easily. Therefore you are seldom as successful in worldly or material matters as those born under the influence of other numbers. You are generally indifferent to the idea of accumulating personal wealth. Even when you have money, you will find extraordinary ways of utilising it.

It may be remembered that you are unusually sensitive. Your feelings may easily get hurt and you may be withdrawn. This will make you feel lonely and isolated. You can be most devoted to your friends, who may be few in number. You are inclined to play the part of the 'under dog'.

Effect of Birth Number and Name Number

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and life.

To achieve the best possible results, these two numbers should ideally be compatible. The general rule is that all the numbers affecting your life should be in mutual agreement with one another.

There is excellent compatibility between your Birth Number and Name number. Hence, you can feel happy and confident.

Since your name starts with the letter A, it has special significance for you

It is a symbol of your ambitious nature. It indicates that you have a strong will power. In fact, you are constructive by nature. You leave little room for false impressions to be carried by others, regarding your intentions. You make them clear, direct and positive.

Your 'Birth Number' is 4. Since the letter 'M' is present in your name, you are highly intelligent. Your devotion to duty is splendid. You never like to depend on others. Surprising changes will occur in your life from time to time. Sometimes, you may appear melancholic, without any specific reason. You have a sharp and definite view on issues. But you are not stubborn and adamant. You may volunteer to take on responsibilities. However, what you undertake will be promptly completed, to the satisfaction of your superiors and juniors alike. Certainly you are keen on achieving a good name, in your own way.

Your 'Birth Number' is 4. In your boyhood, you generally look at things from an entirely different angle, compared to many others. This is something special about you. It may almost appear as if you oppose anything and everything. Others may be confused about your true nature. In debates, you deliberately take the opposite view point and your arguments may invite enmity. You are not afraid of anybody. You do not get shaken by any event. Further, you are undesirably out-spoken.

Even as your mature, you will continue to be critical, as if it is an inborn tendency. You find a sort of sadistic pleasure in being cynical and critical of others. You will always justify your view points.

You do not believe in congratulating others, for good performance. Nor do you express thanks for any help received. At heart, however, you are generous and loving. You are willing to share with others whatever you have. You will acquire many friends as well as enemies.

You like religious stories and scriptures and are curious to unravel deep inner secrets. You sometimes deserve to be called a dictator or tyrant. Once you are in power, you will manage everything like a one man show. You may bring about radical changes, without waiting to ponder over the possible consequences. You want the world to accept you, as a true law-abiding citizen.

You will embark on projects and activities which you are sure will fetch you rewards and success without much effort. You are easily guided by passion. You are fond of good food. You will spend very lavishly, even your hard-earned money, without any hesitation.

You are quite ambitious. However, as you attain middle-age or so, you may develop some sort of an aversion for worldly pleasures and take up spirituality. If you are able to control your tongue, it will be of great advantage to you.

Important Persons With Birth Number 4

Sarojini Naidu, Yehudi Menuhin, K.S.Duleep Singhji, P.B.Shelley, K.Shankara Pillai, Evon Gulagong, Michael Faraday, Amritha Preetham, Ashok Kumar, Michael Collins, Charles Degaul, Birju Maharaj, Norman Maylor, Edward Kennedy.

Since you are born on 31st, you will be a man of spirituality. You can analyze and study the strength and weaknesses of your enemies and handle them appropriately. As you are impulsive, you are least concerned about profit and loss, when you jump into an action of your choice.

The Effect of Fate Number and Compound Fate Number

In calculating your 'Fate number', the MONTH and YEAR of birth are also considered whereas 'Birth Number' is calculated from the Date of birth only.

The basic, single fate numbers 1 to 9 represent worldly aspects. This number denotes what you appear to be, in the eyes of your friends, colleagues and those you deal with closely. But the double or compound fate numbers represent the hidden influences that play behind the scene. Your destiny or future can be better understood by analysing such compound numbers. So they are said to denote the spiritual aspects. Your birth number gives information about the physical and material side of your life, while the fate number reveals more of occult or spiritual side of your life. The findings based on your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 1 and 'Compound Fate Number' is 28. This number is full of contradictions. On the one side, you are a man of great promise and potential. But unless, you are very careful in spending your resources, you may have to regret later. You may meet with failure, if you develop unfounded trust in people. You may have to face opposition and competition from your colleagues or others. At times, the interpretation of law may work against your personal interest. After achieving a certain degree of success, you may have to start all over again. Your future seems unpredictable.

You are sure to take up a profession that gives you peace and satisfaction. You are likely to become an advocate, speaker or a man of letters. Alternately you may also become a politician. You can amass wealth by virtue of your intellect. There can be a serious break-down in your wife's health in her middle-age. So you should be careful. Whatever happens, you can overcome the impediments on your way. So you can achieve success in life. You will earn fame and name by sustained efforts.

The Effect of Name Number and Compound Name Number

The sages of ancient India, brought forth the theory for the first time, that letters of the alphabet are related to numerical figures. A theory popularised through the English language by Western Numerologists. Thus each letter of your name spelled in English is assigned numerical value. All these numbers are added to get your NAME NUMBER. One can predict your personality characteristics on the basis of your 'Name Number' and its 'Compound Name Number'.

Since your 'Name Number' is 1 and 'Compound Name Number' is 19, you will lead quite a disciplined life. It should be assumed that the qualities of youth will remain with you, even during old age. The presence of your wife will be sweet and enjoyable for you. The secret of your success is your broad-minded approach to life.

The number 19 is regarded as fortunate and extremely favourable. It is symbolised as Sun and called the prince of heaven. This number promises you happiness, success, esteem and honour. Whatever you plan seriously in life is more likely to materialise.

Married Life

It will be fortunate if you can find a girl whose 'Birth Number' is 1. But if you are looking for a quiet, meek and obedient wife, choose a girl with birth number 8.
